

## **STUDENTS ON GOVERNING BOARDS**

The Stanwood-Camano School District Board of Directors recognizes the value of student representation on the school board so that student voice and input is included in the board's work. The school district will annually seat two student representatives, one from Lincoln Hill High School and one from Stanwood High School. Student representatives will communicate with other district students and receive their input and perspectives.

Student representatives on the board are expected to attend all board meetings and consider participating in optional conferences and trainings. The student members will contribute to board discussion by providing student insight and perspective, serve as a liaison for the associated student body, and report to students about the work of the board and district activities. Student representatives will not make motions, vote, attend executive sessions or hold board offices.
