

Stanwood-Camano School District

Family Communication July 24, 2020

Thank you for your continued support of the Stanwood-Camano School District. The district must create an educational program in a unique format while adhering to safety guidelines provided to us by local, state and federal health authorities. The questions asked by parents, students and staff are helping us create a more comprehensive and safe plan for our schools.

Posted to our [district website](#) are several important communications related to the reopening of our schools:

- Transcript of the Questions and Answers from the July 22, Zoom Meeting (English/Spanish)
- Chat question and answers from the July 22, Zoom Meeting (English/Spanish)
- New Family Questions and Answers, July 24 (English/Spanish)
- Skyward Message, July 23 (English/Spanish)
- Skyward Login Instructions, July 23 (English/Spanish)

Several documents have not yet been professionally translated. New translations will be posted on the district website as soon as they are available.

We will continue to have the Family Access Helpdesk available from 8:00AM-2:00PM Monday-Thursday next week. Please call Wendy at 360-629-1351 if you have difficulty accessing your Family Access Account or the Intent to Enroll Form.

We have gotten many questions requesting more detail about the reopening of schools. Dr. Shumate has a meeting on Tuesday with Dr. Spitters from the Snohomish County Health District along with other Snohomish County Superintendents. If we receive more information or additional guidance, we will share it with families and staff as soon as possible.

The district will continue to prioritize the health and safety of our students, staff and the community.

Thank you for your continued patience.
