RE: Stanwood-Camano Building Administrators Agreement

I have attached a revised 2018-21 Agreement with Building Administrators for your review.

Please note the correction in the amount allocated for Professional Development from the previous contract. In addition, the names of the administrative representatives has been updated.

RECOMMENDATION:

I recommend that the board **approve the Stanwood-Camano Building Administrator Agreement as presented.**

**AGREEMENT BETWEEN THE STANWOOD-CAMANO SCHOOL DISTRICT #401
AND
THE STANWOOD-CAMANO BUILDING ADMINISTRATORS**

**Article I
Purpose**

The purpose of this agreement is to recognize the rights of those building administrators who are entitled to bargain collectively under RCW41.59.090 to negotiate as a group with the superintendent for the purpose of establishing equitable compensation, hours of work and number of days of work. This agreement is subject to Stanwood-Camano School Board of Directors approval.

**Article II
Salaries**

Stanwood-Camano School District will adjust salaries on an annual basis in the spring of each year to be implemented in the ensuing contract year. The increase will be based upon the percentage salary increase authorized and funded by the state. If a double levy failure occurs and/or there are reductions in State and Federal funding sources, this agreement will be reopened to discuss the total compensation and benefit package. The District recognizes that from time-to-time administrators may be requested to perform duties above and beyond their regular contract. When administrators are required to perform such duties, as approved by the superintendent, individual stipends will be awarded.

An overall unsatisfactory evaluation in any given year shall preclude the administrator from receiving any salary increase for the ensuing contract year and until such time as the overall rating is satisfactory.

**Article III
Benefits**

Contract benefit items shall not be charged to the building budgets (unless a specific amount, above and beyond the normal operating budgets, sufficient to cover these items is added to the building budget). Including such items as dues, mileage and negotiated travel as listed below.

Travel and Expenses

Upon the approval of the superintendent or designee, each administrator may be reimbursed for expenses accrued in connection with their employment. The compensation for mileage will be in the amount allowed by IRS. Administrators may use their own vehicle and claim mileage against their Professional Development account or building budget, even if a district vehicle is available. Eligible reimbursement for membership fees, travel and meal costs may include:

- Participating in local civic and service organizations (Board Policy 5525);
- Attending meetings and conducting business of the school and/or district; and
- Other usual and customary expenses.

Deleted: 6/11

Professional Development

Each administrator will be provided with a professional development funds in the amount of \$2,600 to be used for workshops, conferences, college or university credit, other professional dues, mileage, and/or other professional development activities. This fund is to be beyond the National Convention (stipulated below) and/or state conference travel and attendance budgeted in building accounts. These funds may further be used for the purchase of educational materials and equipment, information services, college fees and transportation costs, workshop expenses, and experiences designed to improve the administrator and his/her performance.

Deleted: 2

The District will provide \$6,000 outside the building budget and the professional development fund, to support one fourth of the administrators for traveling to a National Conference per year. Administrators who serve on a Professional Regional/State Board, or who are elected officers may make a request to the superintendent to have said activities exempted from the above group.

Evaluation Support

Beginning the 2017-18 school year, the District will provide up to \$10,000 for the sole purpose of supporting principals in the implementation of the teacher evaluation system. Each building will be allocated a portion of the lump sum based upon the number of comprehensive evaluations the administrators in the building are responsible for in that year based on the following formula: Number of comprehensive evaluations x current substitute teacher daily rate of pay. [Example: Four (4) comprehensive evaluations times current substitute teacher daily rate of pay (\$150) = the amount funded (\$600).] The funds will be used to pay for additional building support to provide the evaluator time to work on observation and evaluation reports. If the number of comprehensive staff evaluated multiplied by the current substitute rate exceeds \$10,000, the principals group will meet to determine how to distribute the \$10,000.

Doctoral Stipend

Administrators who hold a doctoral degree will be provided a \$2,600 stipend annually.

Medical

The District shall provide the building administrators with the same monthly contribution to approved group insurance coverage, optional individual/family medical coverage, and other approved insurance programs provided to the non-supervisory certificated employees as set forth in the Collective Bargaining Agreement between the District and Stanwood-Camano Education Association ("SCEA").
