MEMORANDUM

TO: Board of Directors
DATE: November 21, 2017
FROM: Jean Shumate
RE: Approval of the First Reading of New Student Policy
TYPE: Action Required

The attached, Student Policy 3144, Release of Information Concerning Student Sexual and Kidnapping Offenders, is a new policy.

RECOMMENDATION:

That the Board approves the first reading of new Student Policy 3144 Release of Information Concerning Student Sexual and Kidnapping Offenders.

RELEASE OF INFORMATION CONCERNING STUDENT SEXUAL AND KIDNAPPING OFFENDERS

Stanwood-Camano School District recognizes its responsibility for the health and safety of all students, including students required to register as a sex or kidnapping offender enrolled within the district. Therefore, the district will take appropriate precautionary measures in situations where law enforcement officials have advised that a student required to register as a sex or kidnapping offender, is enrolling or is attending a school within the district.

Principals are required to respond to notification by local law enforcement and to disseminate information about students required to register as a sex or kidnapping offender to appropriate staff within the school based on the offender level.

Any Stanwood-Camano School District employee who releases the information in compliance with federal and state law is immune from civil liability for damages unless it is shown that the school district or district employee acted with gross negligence or in bad faith.

Inquiries by the public at large (including parents and students), regarding students required to register as a sex or kidnapping offender are to be referred directly to local law enforcement. Law enforcement agencies receive relevant information about the release of sex and kidnapping offenders into communities and decide when such information needs to be released to the public.

The superintendent or designee shall adopt written procedures for school administrators describing appropriate placement, supervision and dissemination of information received from law enforcement to appropriate school personnel.
