

TO: BOARD OF DIRECTORS

FROM: DAN JOHNSTON, DIRECTOR OF ASSESSMENT AND TECHNOLOGY

SUBJECT: Presentation Station Purchase

DATE: October 17, 2017

TYPE: ACTION REQUIRED

On November 5, 2013, voters approved the School Facilities and Technology levy. One of the technology projects funded by this special levy is presentation stations for K-12 classrooms.

Beginning in June of 2017, our teachers began sampling Epson Brightlink projectors and Elmo document cameras. After hearing their feedback, we then sampled Interactive Epson Brightlink projectors. After careful consideration, we have selected the interactive projectors and Elmo document classrooms for placement in standard K-8 classrooms across the district. After seeing the demonstrations in classrooms, it is clear that these presentation stations will be an excellent resource for students and teachers and will benefit teaching and learning greatly.

Our high schools and alternative programs will also receive the document cameras at this time. However, due to the significant nature of the installation, we will wait to purchase and install the projectors in these schools until after the new buildings are complete.

Attached to this memo is a copy of the quote. The total purchase is \$361,157.58.

Recommendation:

We recommend the board move to approve the payment of \$361,157.58 for the purchase of the presentation stations.
