

## **Stanwood-Camano School District**

### **Family Communication**

**July 31, 2020**

On July 29th, the district announced that it would begin the 2020-21 school year in a Continuous Learning 2.0 model. We know that this news was disappointing to many families, students, and staff. We continue to work with our labor groups to create a robust learning program for our students.

We will be providing the School Board with our most up-to-date plan to reopen schools on August 4th, at 1:00 PM via a Zoom Board Meeting (linked here: <https://zoom.us/j/95049515898>). Procedures for public comment will be provided on the district's website on August 3rd. This meeting will be recorded and will be available on the district website and on our Facebook page.

On August 18th, at 6:00 PM, we will be presenting our recommended reopening schools plan for board approval. This plan will then be submitted to the Office of Superintendent of Public Instruction (OSPI) for their approval.

Families are invited to a Zoom meeting at 6:30 PM on August 19th (Elementary) or August 20th (Middle School & High School). The district will present the approved plan to families. Families will hear from our principals and district-level administrators regarding more specific information about our Continuous Learning 2.0 model. We will also provide information about specialized programming we have planned for our students with special needs, English Language Learners, Kindergarten, and McKinney Vento youth. Attendees will be allowed to submit questions at these Zoom meetings.
