

Stanwood-Camano School District

March 10, 2020

Thank you for your patience as we make decisions that have a monumental impact upon our families, our staff, and especially our students. The safety of our students, staff, and community remains our highest priority.

Out of an abundance of caution, the Stanwood-Camano School District will close schools beginning tomorrow, March 11, 2020 through the rest of the week so that we can assess the evolving situation in our community.

We know there are confirmed cases of COVID-19 in our community and that more individuals have been tested. We have not received contact from the health districts notifying us of confirmed or suspected cases of COVID-19 by students or staff in the Stanwood-Camano School District.

All school activities and athletic practices and competitions are cancelled.

We will continue to provide updated information as it becomes available.
