

Stanwood-Camano School District

Family Communication

April 1, 2020

We are continuing to learn how to work with our students and our families in our new COVID-19 world. Staff are attending trainings daily.

We do have a few announcements:

Teachers, instructional support staff and administrators will be observing spring break next week (April 6-10). **Food service and distribution will continue both on-site and at remote locations.**

Our playgrounds and outdoor facilities must remain closed. The district was reminded by our local health district that playgrounds, when open, do not adhere to social distancing requirements.

Thank you to all of our families for partnering with our district.
