

Stanwood-Camano School District

Family Communication

June 26, 2020

Survey Results

Thank you for participating in the survey regarding the reopening of our schools. The survey is now closed. The results of the survey are as follows: 77% of respondents indicated that they preferred the A/B rotating schedule. Of that 77%, 51% preferred the alternating day schedule, 19% preferred the alternating week schedule, and 30% the AM/PM scheduling option.

The district's reopening schools teams will begin preparing for the A/B rotating schedule. Our school district must also prepare for Continuous Learning 2.0 in the event we need to close school facilities in the short- or long-term.

Many families indicated that they do not want their children to wear masks at school. The current requirement from the Department of Health is as follows:

“Starting today [June 26, 2020], every Washingtonian must wear a facial covering when in a public space, as mandated by the public health order signed by [state secretary of health, John] Wiesman. This includes both indoor and outdoor public spaces.

The DOH has provided exemptions for some individuals. The complete guidelines can be found [here.](#)”

If families do not want their child to attend school in person this fall because of the mask requirement or other reasons, families will have the option of Continuous Learning 2.0.

Additionally, families may wish to explore our current Alternative Learning options at [Saratoga School](#) or [Lincoln Hill High School](#).

Food Service

Free Grab & Go Meals will continue to be available on Tuesdays and Thursdays throughout July and August, at four school sites in the Stanwood Camano School District: Elger Bay Elementary School, Twin City Elementary School, Stanwood Middle School, and Cedarhome Elementary School. Please note bus routes will no longer be utilized beginning July 1st. On Tuesdays, 3-day meal bags will be distributed and on Thursdays, 4-day meal bags will be distributed. Please visit the Stanwood Camano School District [Food Services](#) webpage for more information.
