

## **Stanwood-Camano School District**

### **Family Communication**

**July 10, 2020**

#### Student Safety

The schools are determining what classrooms will look like in the fall while following the 6-foot social distancing requirement. We've attached a couple of classroom photos for families to view.

[PSMS\\_Classroom.jpg](#)

The Office of Superintendent of Public Instruction (OSPI) continues to send out guidance as well. Families might appreciate this link from OSPI which addresses issues such as masks and social distancing (<https://www.youtube.com/watch?v=WotQhMrVzZw>).

In addition to the focus on physical safety, a subgroup has been researching ways to provide social emotional support for our students and staff. The district will be piloting the Character Strong program across the district.

#### Learning Options

The district expects to have more information about the rotating schedules next week. Families can also elect to have their child(ren) participate in full-time Continuous Learning without physically coming to the school. Families who wish to enroll in one of the districts Alternative Learning programs should reach out to these schools to request information about enrollment (Saratoga: 360-629-1372; Lincoln Hill High School: 360-629-1340).

In the coming weeks, we will be asking families to select the learning option for their child(ren) and their transportation needs.
