

## **Stanwood-Camano School District**

### **Family Communication**

**August 7, 2020**

We are rapidly approaching the start of the 2020-21 school year and our school offices are reopening. You may have already received a phone call from your child(ren)'s school about internet access. This is critical information for us to have as we begin in a Continuous Learning Model. We want to ensure that all of our students have access to all of the learning resources available. If you haven't spoken to your child(ren)'s school yet, please expect a call or you may reach out to the school directly.

Reopening schools planning is continuing. We are monitoring and adjusting plans as we receive more guidance from the Department of Health and the Governor's office. The safety of our students and staff continues to be our top priority.

Our principals will be providing our families with the most up to date information about school schedules, academic learning standards, social emotional supports, and school activities at Zoom meetings on August 19 & 20. All families are encouraged to attend. Information about how to access the Zoom meeting is below. We look forward to seeing you.
