**Re:** New Title I Parental Involvement Policy

**Date:** April 6, 2010

Our District currently receives Federal Title I funding. There is a new policy required of our District in order to continue to accept Title I funds. The policy specifically talks about parent involvement and is a model policy developed by the Washington School Directors. Additionally, the Parent Advisory Committee (PAC) for Title I in our District has reviewed this policy and has recommended that it be taken to the Stanwood- Camano School Board of Directors for approval. The policy is attached for your review.

It is recommended that the Board of Directors approve the Title I Parental Involvement Policy first reading.

## TITLE I PARENTAL INVOLVEMENT

- I. The Board recognizes that parent involvement contributes to the achievement of academic standards by students participating in district programs. The Board views the education of students as a cooperative effort among school, parents and community. The Board expects that its schools will carry out programs, activities and procedures in accordance with the statutory definition of parental involvement. Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring that parents:
  - A. Play an integral role in assisting their child's learning;
  - B. Are encouraged to be actively involved in their child's education at school; and
  - C. Are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- II. The board of directors adopts as part of this policy the following guidance for parent involvement. The District shall:
  - A. Put into operation programs, activities and procedures for the involvement of parents in all of its Title I schools consistent with federal laws including the development and evaluation of policy. Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children;
  - B. Provide the coordination, technical assistance, and other support necessary to assist participating schools in the planning and implementing of effective parent involvement activities to improve student academic achievement and school performance.
  - C. Build the schools' and parents' capacity for strong parental involvement;
  - D. Coordinate and integrate Title I parental involvement strategies with parent involvement strategies under other programs, such as Head Start, Reading First, Early Reading First, Even Start, Parents As Teachers, Home Instruction, Preschool Youngsters, State-run preschools;
  - E. Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this policy in improving the academic quality of the schools served with Title I funds including: identifying barriers to greater participation of parents in Title I-related activities, with particular attention to participation of parents with limited English proficiency, parents with disabilities and parents of migratory children; and
  - F. Involve the parents of children served in Title I, Part A schools in decisions about how the Title I, Part A funds reserved for parental involvement are spent.
