Re: Community Service Policy 2414

Date: August 6, 2013

The Stanwood-Camano School District has required community service as a graduation requirement for several years. In April 2013, the Legislature enacted a law requiring that each school district have a community service policy. Attached, please find our Community Service Policy for your approval.

RECOMMENDATION:

That the Stanwood-Camano School District Board of Directors approve the first reading of Community Service policy 2414.

COMMUNITY SERVICE

The board recognizes that volunteering connects students to their communities and provides an opportunity for students to practice and apply their academic and social skills in preparation for entering the workforce. The board further recognizes that community service is associated with increased civic awareness and participation by students, and can inspire students to continue their education and skill development beyond high school. Community Service will be part of the high school student experience.
