

Stanwood-Camano School District  
BOARD OF DIRECTORS

August 6, 2013  
Superintendent's Report

**RECOGNITIONS**

1. The College Board Advanced Placement Program (AP) selected Kathy Redfern, Stanwood High School Advanced Placement Sciences' Teacher, to participate in the annual AP Reading in science. Kathy was among AP teachers and college faculty members from around the world who gathered to evaluate and score the free-response sections of the AP Exams.
2. Ross Short, Stanwood High School Technology Student Association Advisor, announced the results of the National Technology Student Association Conference. Nine students from Stanwood High School's TSA Chapter attended the national conference in Orlando, Florida, in June.

The results are:

- Computer Numeric Control (CNC) Production, 4<sup>th</sup> Place: Jared Holmgren, Jackson Campbell
- Video Game Design, 5<sup>th</sup> Place: Skout Roberson, Colin Cuchna, Karsten Chaplik, Jackson Campbell, Brian Hewlett, Jared Holmgren
- Engineering Design, 6<sup>th</sup> Place: Drew Stang, Bristan Kelley, Brady Garcea
- On Demand Video, 10<sup>th</sup> Place: Skout Roberson, Colin Cuchna, Karsten Chaplik, Jackson Campbell, Brian Hewlett, Jared Holmgren, Drew Stang, Bristan Kelley, Brady Garcea

In addition to the competitive events, several students earned national honors for their leadership, academic, technical, employability, and service skills, they are:

- Gold Achievement Award: Jackson Campbell, Karsten Chaplik, Brady Garcea, Mason Garcea, Jared Holmgren, Bristan Kelley, Drew Stang
- Technology Honor Society Inductees: Brady Garcea, Mason Garcea, Jack Lund, Bristan Kelley, Drew Stang
