SUBJECT : STANWOOD HIGH SCHOOL TRACK
PORTABLE CLASSROOM RELOCATION
STANWOOD ELEMENTARY WEATHERPROOFING
PROJECTS – FINAL ACCEPTANCE
DATE : JANUARY 5, 2016
TYPE : ACTION NEEDED

The three capital projects listed below are now complete.

- Stanwood High School running track replacement project;
- Relocation of 2 portable classroom buildings from Utsalady Elementary to Twin City Elementary;
- Stanwood Elementary exterior wall weatherproofing.

The completion date establishes the start of the 45-day waiting period for claims from subcontractors or suppliers to be filed. Our project manager and architect have both indicated that all of the punch list items have been corrected.

These three projects, which were included in the Facilities and Technology levy approved by the voters in 2013, will enhance the overall learning environment in our schools.

The final acceptance date for all three projects will be January 5, 2016.

Recommendation:

We recommend the board **move to approve the final acceptance date for the Stanwood High School Track Replacement, Relocation of Portable Classrooms, and Stanwood Elementary Exterior Weatherproofing projects effective on January 5, 2016.**
