

TO : BOARD OF DIRECTORS
FROM : LISA ORTON-DIRECTOR OF TRANSPORTATION
SUBJECT : BUS PURCHASE AUTHORIZATION
DATE: : DECEMBER 15, 2015
TYPE : ACTION NEEDED

According to Board Policy 6210, purchases exceeding \$50,000 require school board approval. We are currently preparing to purchase four buses to replace the four buses that will be off of depreciation this spring. The cost of each bus will be \$135,523.94. The total costs of the 4 buses should be \$542,095.78. The cost of these buses exceeds the policy amount and board approval is required. Below is a description of the buses being purchased:

4 -Blue Bird Type D 78-passenger rear-engine diesel buses

These buses have an estimated delivery date of early April 2016. We would expect them to arrive and be paid for during this budget year out of the Transportation Vehicle Fund. All "yellow" school buses are purchased with Transportation Vehicle Fund resources that can only be used for this purpose. The purchase price for this bus has been set through a statewide bidding process supervised by OSPI.

Recommendation:

We recommend the board **move to approve the purchase of four-Blue Bird Type D passenger buses.**
