STANWOOD MIDDLE SCHOOL WOOD SHOP
PROJECTS – **FINAL ACCEPTANCE**
DATE : APRIL 19, 2016
TYPE : ACTION NEEDED

The construction work on the two capital projects listed below is now complete.

- Stanwood High School greenhouse renovation (Williamson Construction \$129,975.75)
- Stanwood Middle School woodshop renovation (JT & T Construction \$89,762.18)

The completion date establishes the start of the 45-day waiting period for claims from subcontractors or suppliers to be filed. Our project manager and architect have both indicated that all of the punch list items have been corrected.

Both projects, which were included in the Facilities and Technology levy approved by the voters in 2013, will enhance the overall learning environment in our schools and will extend the useful life of these facilities.

The final acceptance date for both projects will be April 19, 2016.

Recommendation:

We recommend the board **move to approve the final acceptance for the Stanwood High School Greenhouse Renovation, and Stanwood Middle School Woodshop Renovation projects effective on April 19, 2016.**
