Executive Director of Human Resources

Stanwood Camano School District

**Date:** August 16, 2016

**To:** Board of Directors

**From:** Maurene Stanton

**RE:** Revised District Office Salary Schedules

The district level administrators salary schedule has been revised and is attached for your review.

You are receiving this information because district administrators at the central office are not represented by a bargaining group. It is necessary for you to review and consider approval of salary schedules in the same way you do when you consider collective bargaining agreements for groups that are represented.

The salary schedules for district office administrators and non-represented personnel have been revised for the 2016-17 school year.

As you review these documents, if you have any questions please call me at your convenience.

RECOMMENDATIONS:

I recommend that the board approve the salary schedules for district level administrators.
