MEMORANDUM

To: Stanwood-Camano School Board of Directors
Fr: Lloy Schaaf, Ed.D.
Re: Approval of Second Reading of new Policy 2418
Date: December 17, 2019

Attached, please find the second reading of new Instruction Policy 2418 Waiver of High School Graduation Credits.

District officials who are responsible for components of the policy have reviewed this document.

RECOMMENDATION:

That the Board approves the Second Reading of New Policy 2418 Waiver of High School Graduation Credits.

Waiver of High School Graduation Credits

The board seeks to provide all students with the opportunity to complete graduation requirements without discrimination and without disparate impact on groups of students. In so doing, the board acknowledges that circumstances may arise that prevent a student from earning all twenty-four credits required for high school graduation. Such circumstances may include, but are not limited to, the following:

- Homelessness;
- A health condition resulting in an inability to attend class;
- Limited English proficiency;
- Disability, regardless of whether the student has an individualized education program or a plan under Section 504 of the federal Rehabilitation Act of 1973;
- Denial of an opportunity to retake classes or enroll in remedial classes free of charge during the first four years of high school;
- Transfer during the last two years of high school from a school with different graduation requirements; and
- Other circumstances (e.g., emergency, natural disaster, trauma, personal or family crisis) that directly compromised a student's ability to learn.

The board delegates to the superintendent or his/her designee discretion to grant a waiver of a maximum of two elective credits required for graduation. A student's parent/guardian or an adult student must file the district's 2418F Application for Waiver of High School Graduation Credits with the superintendent's office no later than thirty days prior to the student's scheduled graduation date. In order to graduate, students granted a waiver must earn seventeen required subject credits (four English, three Math, three Science, three Social Studies, two Health and Fitness, one Arts, one Career and Technical Education) which may be by satisfactory demonstration of competence as provided by WAC 180-51-050.
