RE: Cooperative Agreement with Central Washington University and Eastern Washington University

According to Board Policy 5641, our district is to accept student teachers only from accredited institutions of higher learning with which we have a cooperative agreement approved by the Board.

We have recently received cooperative agreement renewal requests from Central Washington University and Eastern Washington for the purpose of making student teacher and other field experience placements.

I have attached the agreement for your review. If you have any questions, please contact me at your convenience. I am recommending your approval of the attached agreements.
