Return to School

We are so excited to bring back our 4th and 5th grade students next Monday, February 1. If your child(ren) will be accessing or are currently accessing district transportation, please read the following information from our transportation department:

*The addition of 4th and 5th grades have changed the current bus routes for **all** students K-5. Please find your child's new busing information by accessing [elink](#) on the district website. You will find the link and directions to access your child's information below.*

If you cannot access the link or have any questions please contact your school.

<http://elink.scsd.ac/elinkrp/Login.aspx?ReturnUrl=%2felinkrp%2f>

We will have more information next Friday about the return of secondary students.

Athletics

Our high school students have begun some athletic conditioning. We hope to provide middle school students with athletic opportunities as well. The middle school league athletic directors are meeting on February 5. All activities must allow for social distancing and be held in well-ventilated areas, per health department guidelines.

We learned last night that Snohomish County will be moving to Phase II next week which may change some of our current programming.

Coffee with the School Board

Thank you to all stakeholders for attending our "Coffee with the Board" virtual meetings. During these forums, individuals asked about health district information. The information that the health district uses to inform their decisions and guidance, along with current case rates and metrics, can be found here:

<https://www.doh.wa.gov/Emergencies/COVID19/DataDashboard>

Food Service

Please see the flyer below regarding our Food Service offerings. We continue to refine our processes to provide nutritious meals to the children in our community.

Free School Meals for Children Ages 1 to 18 through June 30th, 2021

No application required. No questions asked.

Children do not need to be enrolled in the Stanwood Camano School District

Fully Remote Learners, 6th-12th Special Populations & Children not enrolled in school:
