<u>Directory information means:</u> the student's name, photograph, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received and the most recent previous school attended.

## **Directory information is primarily used in school (local) publications**. Examples include:

- Graduation programs; honor roll or other recognition lists; and
- Sports activity sheets, such as wrestling, showing weight and height of team members.

This information is not released for commercial purposes and is generally not considered to be harmful or invasive of privacy. Families have the right to restrict the release of directory information for certain circumstances. If you *do not* want directory information released about your student, please complete the form below and return it to your school. This form is only effective for one school year at a time.

If no documentation is on file, it will be assumed that permission for release of directory information has been granted. Check only when you <u>do not</u> want directory information released.
