MEMORANDUM

TO: Board of Directors

DATE: March 16, 2021

FROM: Lloy Schaaf, Ed.D./

RE: Withdrawal Prior to Graduation Report

Attached, please find the Secondary Withdrawal Prior to Graduation report. The first page is an overview of the secondary schools' withdrawals. The top portion of the page addresses confirmed withdrawals. The bottom portion of the page outlines unconfirmed transfers. Unconfirmed transfers are students that we have not been able to get ahold of or we have not received a records request from the school they indicated they would be attending. Following the initial page are individual school reports indicating follow up status. This report is sent to the board as required by policy 3112.
