

**AGREEMENT BETWEEN THE STANWOOD-CAMANO SCHOOL DISTRICT #401
AND
THE STANWOOD-CAMANO BUILDING ADMINISTRATORS**

**Article I
Purpose**

The purpose of this agreement is to recognize the rights of those building administrators who are entitled to bargain collectively under RCW41.59.090 to negotiate as a group with the superintendent for the purpose of establishing equitable compensation, hours of work and number of days of work. This agreement is subject to Stanwood-Camano School Board of Directors approval.

**Article II
Salaries**

Stanwood-Camano School District will adjust salaries on an annual basis in the spring of each year to be implemented in the ensuing contract year. The increase will be based upon the percentage salary increase authorized and funded by the state. If a double levy failure occurs and/or there are reductions in State and Federal funding sources, this agreement will be reopened to discuss the total compensation and benefit package.

If any provision of this Agreement causes the District to be out of state compliance with applicable law in effect when the compensation is payable, then the parties agree that the District will immediately make adjustments to bring the District into compliance with the above pertinent legislation. The Administrators will be accorded the same average salary percentage increase as members of the Stanwood-Camano Education Association.

The District recognizes that from time-to-time administrators may be requested to perform duties above and beyond their regular contract. When administrators are required to perform such duties, as approved by the superintendent, individual stipends will be awarded.

An overall unsatisfactory evaluation in any given year shall preclude the administrator from receiving any salary increase for the ensuing contract year and until such time as the overall rating is satisfactory.

**Article III
Benefits**

Contract benefit items shall not be charged to the building budgets (unless a specific amount, above and beyond the normal operating budgets, sufficient to cover these items is added to the building budget). Including such items as dues, mileage and negotiated travel as listed below.

Travel and Expenses

Upon the approval of the superintendent or designee, each administrator may be reimbursed for expenses accrued in connection with their employment. The compensation for mileage will be in the amount allowed by IRS. Administrators may use their own vehicle and claim mileage against their

Professional Development account or building budget, even if a district vehicle is available. Eligible reimbursement for membership fees, travel and meal costs may include:

- Participating in local civic and service organizations (Board Policy 5525);
- Attending meetings and conducting business of the school and/or district; and
- Other usual and customary expenses.

Doctoral Stipend

Administrators who hold a doctoral degree will be provided a \$3,000 stipend annually.

Medical

The District shall pay the full portion of the employer contribution to the School Employees Benefits Board (SEBB) for insurance programs as adopted in the statewide collective bargaining agreement for all employees who meet the eligibility requirements outlined in state law, and other approved insurance programs provided to the non-supervisory certificated employees as set forth in the Collective Bargaining Agreement between the District and Stanwood-Camano Education Association ("SCEA").

The District will contribute funds commensurate with the amount agreed to with SCEA per bargaining unit member, per FTE, per month to employee VEBA accounts.

The District shall pay for both the employee and the employer portion of the Washington State Paid Family Medical Leave deduction.

Dues to Professional Association

The District shall pay the dues for membership in one professional organization for each administrator.

Exception to this may be made with the superintendent's approval. Each administrator will be asked to submit an annual calendar to his/her immediate supervisor and the superintendent documenting projected workdays no later than July 15th of each year for the ensuing year. If due to unforeseen circumstances an administrator is required to work outside of their agreed upon work calendar, they will be compensated at their per diem rate of pay or provided with compensatory time at a later date.

Article V Experience

Credit given for administrative experience shall be as follows:

- Within the same job classification, year for year experience shall be granted as per the salary schedule;
- When moving from one administrative classification to another and thereby assuming greater administrative responsibility, for every two years of experience at the lesser responsible level one year of experience will be granted on the salary schedule, up to a maximum of eight (8) years;
- When an administrator moves from a more responsible administrative position to a lesser responsible one, the lesser responsible pay category will be used.

Article VI Leaves

Building administrators shall be entitled to the same leave provisions as provided for in the most current SCEA Collective Bargaining Agreement.

In July of each year, an administrative employee in TRS Plan 2 or 3, who has personal leave remaining unused shall be reimbursed at their per diem rate for unused personal days up to a maximum of two (2) days per year. For administrators with a shorter work year, the per diem rate shall be calculated by dividing the gross annual salary for the administrative employee by the number of contracted work days.

Article VII Length of Agreement

Should any changes in the limitations imposed by the Legislature occur, by any method whatsoever, the salaries and benefits contained in this Agreement will be automatically reopened for negotiation. The salaries, insurance and any other benefits contained in the provisions of this Agreement are entered into subject to the limitations imposed by the Legislature and the Appropriations Act in effect when the same are payable.
